

1.Introduction to Motherboard Configuration

1.Introduction to Motherboard Configuration

Item	Description	Function	Item	Description	Function
1	A333	CPU	12	connector	Camera connector
2	LPDDR3	Memory	13	connector	Button seat
3	EMMC	EMMC	14	Earphone stand	Headphone jack
4	PMU	Power manager	15	G-SENSOR	Screen rotation
5	Touch IC	touch control	16	WIFI antenna pad	Welding WiFi antenna
6	WIFI	WIFI/BT signal processing	17	Speaker connector	Connect SPK
7	Audio IC	audio power amplifier	18	MIC connector	Connect MIC
8	6PIN connector	Battery connection socket			
9	TYPE-C	Data transmission/charging			
10	connector	Capacitive touch interface			
11	connector	LCD connector			

2.Description about Circuit
